

JOIN YOUR LIVES AND LOVED ONES IN THE HEART OF THE HOLY CITY.

On this special day, everything must be perfect. And it will be, that's our promise to you. Overlooking the historic City Market, we offer a choice of elegant settings, from fountained courtyard to regal ballroom. Together, we'll create a gourmet menu for your guests. After the celebration, family and friends can relax in the area's largest one and two-bedroom suites. A perfect ending to a perfect day. Make your first step down the aisle a call to our wedding coordinators.
