

# For Those Who Don't Believe In Meeting By Chance.

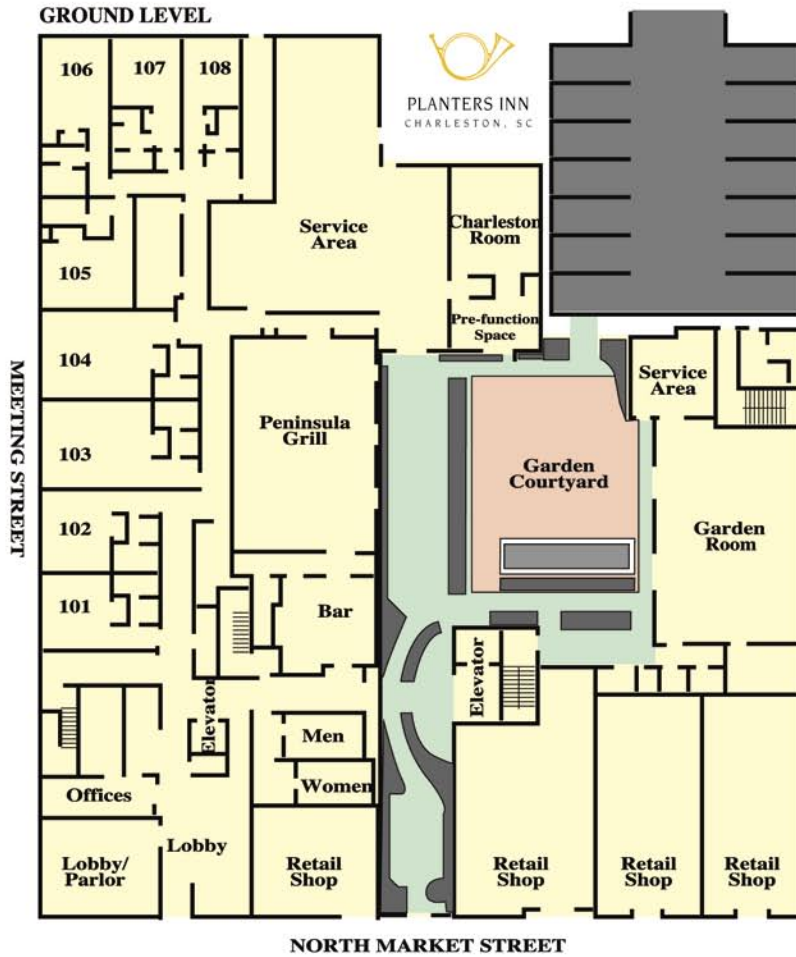

When it's up to you to put important people together, you want to be sure details won't be left until last. Rest assured that while business guests find our inn romantic, they never find our arrangements spontaneous. Nor is there mystery in our accommodations and amenities; they are clearly superior. Oversized suites and rooms with high ceilings and period-style furnishings. A formal Charleston garden courtyard for receptions. The internationally acclaimed cuisine and libations of *Peninsula Grill*.

Our origins pre-date copiers, laptops and fax machines, but you'll discover we're rather plugged-in to the needs of business guests. Elegant colonial meeting rooms. Private bar service and gourmet banquet meals by award-winning Chef Robert Carter. Proprietor's and Governors' suites for executive and breakout sessions.

You see, we can do everything a large hotel can, but it will be just for you. And with nothing left to fate, your meeting here will be a success of historic proportions.
